Welcome Address

Dear Beloved,

You are highly welcome to this year's "Revelation of our Salvation" a gathering ordained by God to awake and establish believers concerning their salvation with the aim of bringing pleasure to God the father with their lives and affairs.

Over the years, through this meeting God has illuminated every darkness that still remains in the hearts of believers which the devil exploits. The devil thrives only in the areas of ignorance in believer's lives. Therefore, every believer must endeavour to know God's truth about their salvation and must be established in it so as to be freed from the Satan's entanglements. 1 Tim. 2:4, John 8:32

The theme for this year is **"The Power of a Surrendered Life".** Salvation is free but it cost God the life of His only begotten son. So, when we got born again, the first thing God also demands from us is the power of our will. He must have it. Col. 1:13

At salvation, the first miracle the Lord performed in our lives among other things was to relocate us from the dominion & control of the devil and reposition us to Himself. Therefore, He demands that we reposition ourselves to Him. Rom. 6:13, Rom 12:1

Who we choose to surrender our lives and will to determines who is in control of our will – God, Satan or You.

If God cannot have your will on any issue of your life, then, He has no right to work in your life. When Jesus came into the world the first He settled was the submission of His life and will to God. John 10:5-9 ; John 10:17b-18. This was the secret of His success and the continual commitment of God upon Him.

Who is Having the Preeminence Over Your Life?

During these two days, I beseech you to stay opened unto God that He may carry out an eternal work upon your heart and mind resulting to you- presenting yourself to Him continuously for Him to do with you whatsoever He wants.

Stay Blessed.

Yours in Christ,

Apostle & Rev. (Mrs) Oluwafunminiyi Olufisayo
